COLLECTION

Carpe & Lyre

Loin d'être nostalgique, cette collection revisite les standards du 19^{ème} siècle alliant design assumé et silhouette toute en rondeurs. La technique, poussée ici à merveille dans ses derniers retranchements, s'attache par ses becs évasés à restituer jusqu'au chant particulier de l'eau jaillissant d'une fontaine.

Far from being old-fashioned, this collection revisits the standards of the 19th century, incorporating unabashed design and substantial silhouettes. The technique, here pushed marvelously to its limits, displays flared spouts, skillfully restored until they resonate the particular tune of the water cascading from a fountain.
