

# DOT316 ROUND

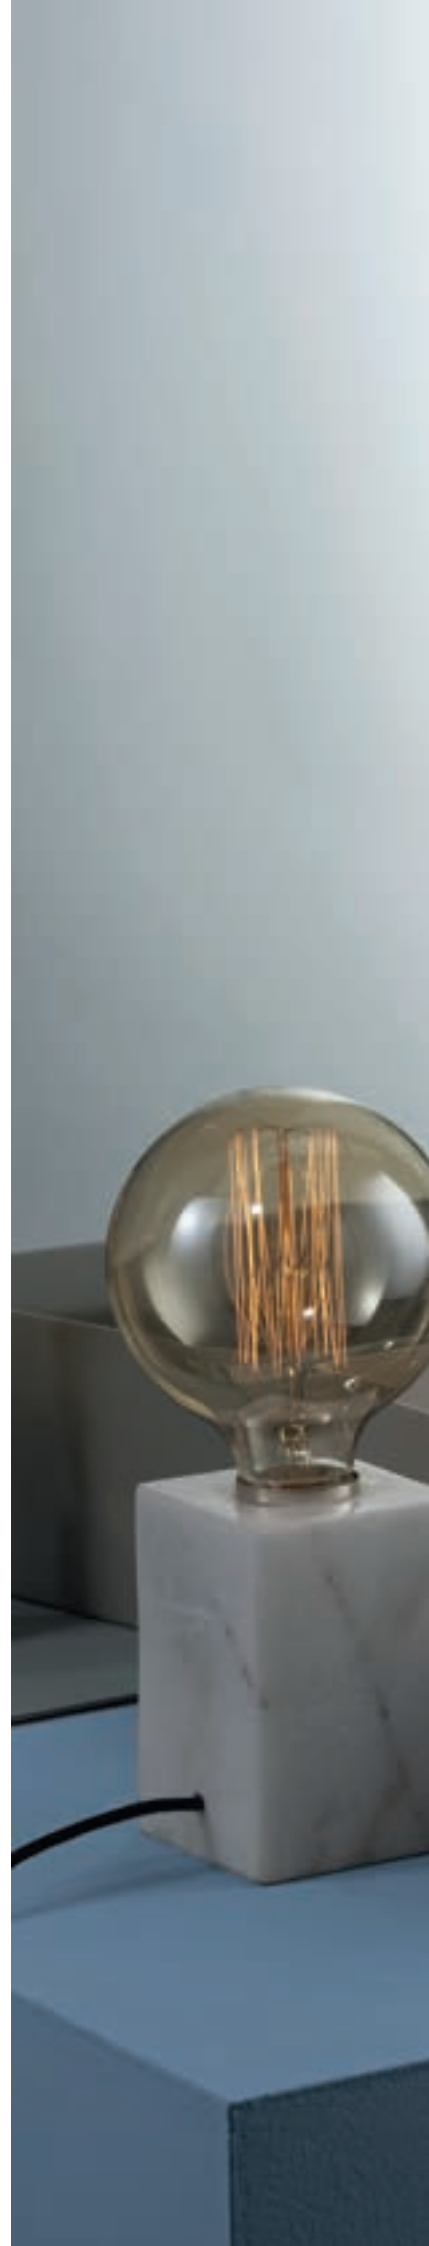

Sinonimo di unicità ed eleganza, lavorato nel nobile acciaio AISI 316L, DOT316 Round prende il nome dalle forme perfette e armoniche del cerchio, che si declinano nel corpo e nella canna del rubinetto, per un bagno semplicemente sofisticato.

\_ Synonymous with uniqueness and elegance, crafted in the noble AISI 316L steel, DOT316 Round takes its name from the perfect and harmonious shapes of the circle, which are declined in the body and spout of the faucet, for a simply sophisticated bathroom. \_ Synonyme d'unicité et d'élégance, travaillé dans le noble acier AISI 316L, DOT316 Round tire son nom des formes parfaites et harmonieuses du cercle, qui se déclinent dans le corps et dans le bec du robinet, pour une salle de bains simplement sophistiquée. \_ Sinónimo de singularidad y elegancia, trabajado en el noble acero AISI 316L, DOT316 Round toma su nombre de las formas perfectas y armónicas del círculo, que se declinan en el cuerpo y en el caño del grifo, para un baño simplemente sofisticado.
